NOTICE

The source listings included in this document are **PROPRIETARY,** and must be protected by the customer from copying and abstraction, as specified in the **DIGITAL RESEARCH OEM SOFTWARE LICENSE AGREEMENT.** All Digital Research software source programs, machine code programs, and manuals are protected by copyright. That means it is illegal to make any copy of all or part of a Digital Research program, whether of source code or object code, to translate a Digital Research program (for example by using an assembler or a compiler), to load or execute a Digital Research program, or to derive your own version of a Digital Research program, without the written permission of Digital Research.

Digital Research customers who wish to do these things can generally obtain written permission to do so: Digital Resarch licenses its proprietary software with several standard customer agreements. These agreements grant permission to exercise the copyrights that are required by the intended use of the product.

If your **LICENSE AGREEMENT** does not seem to grant you a permission you require, please contact Digital Research, Post Office Box 579, Pacific Grove, California 93950.
